EMI AZADI

75 Days to book your freedom

Book Now | Pay Nothing for Two Years

PRE-EMI STARTS FROM NOVEMBER 2028

Availing this scheme offers strong financial and strategic advantages, especially for buyers currently living on rent and first-time investors looking to enter the market with ease.

☑ A. Zero Pre-EMI Advantage (Till 2028)

Enjoy complete Pre-EMI relief till October 2028. During the scheme period, the builder takes care of the interest payments, allowing you to make no payments to the bank, apart from your initial 10% down payment.

☑ B. No "Rent + EMI" Pressure

If you're staying in a rented home, this scheme helps you avoid the double burden of paying rent and loan installments simultaneously. You can comfortably continue with your current rent without worrying about Pre-EMIs until October 2028.

☑ C. Smarter Cash Flow Planning

With Pre-EMIs deferred, you gain the flexibility to:

- Save for home interiors and registration expenses
- Invest surplus cash in higher-return opportunities
- Prepare better financially and benefit from future salary hikes before regular EMIs begin

☑ D. Early Investment, Long-Term Gains

Secure your home at today's price with just a 10% investment. By the time the Pre-EMIs start, the property value is likely to be appreciated, potentially offering significant gains on a small initial outlay.

Important Terms & Conditions

- **Applicability:** This plan is valid exclusively for T1, T2, T3 (For select units only*) and T4 bookings made from 1st September 2026 through 15th November 2026.
- **Mandatory Home Loan:** Availing a home loan is mandatory to benefit from this scheme.
- **Approved Banking Partners:** This offer is exclusively approved by Axis Bank & ICICI Bank. Customers have the flexibility to choose their loan provider from either of these banks.
- **Eligibility Criteria:** Customers must meet the standard home loan eligibility criteria as per the respective bank's guidelines to qualify for the scheme.
- **Customer Contribution:** 10% of the Sale Value along with applicable taxes shall be payable at the time of booking, and the balance of 10% shall be payable on or before the final loan disbursement by the bank. Eligibility under this scheme shall be subject to compliance with the above payment terms.
- **Developer-Borne Pre-EMIs (No Financial Burden):** During the scheme period, the developer supports you by directly bearing the Pre-EMI interest payments for each installment disbursed by the Financial Institution on behalf of the customer until October 2028.
- **Zero Interest Accrual:** Crucially, the interest applicable on any disbursed amount does not accrue or accumulate upon the completion of the 2-year period (i.e., till October 2028). Because the developer clears the interest as installments are released, **there is absolutely no accumulated financial burden passed on to the customer during/after this period.**
- **Post-Scheme Transition:** Once the scheme period ends, the developer's obligation to pay Pre-EMIs will conclude, and no further buffer will be provided. Thereafter, the responsibility of paying Pre-EMIs shifts entirely to the customer starting from November 2028, as per prevailing interest rates.
- **Payment Disbursements:** Home loan disbursements are to be made as per the standard time linked payment plan in these 2 years.
- **Lock-in Period:** Foreclosure of the home loan or a Balance Transfer (Refinancing) is strictly not permitted during the scheme period.
