Why Invest in Prestige City, Rajendra Nagar?

Your Gateway to Hyderabad's Fastest Growing Investment Destination

Invest where growth is not expected — it's engineered.

Why Rajendra Nagar Stands Apart

A rare combination of connectivity, affordability, and future growth—
positioning it ahead of other Hyderabad zones

SOUTH HYDERABAD / RAJENDRA NAGAR

- **Airport-led growth**
  (Aerocity + Retail + Hospitality)
- **Minutes from airport**
  (best-in-class access)
- **Seamless connectivity via**
  ORR & PVNR Expressway
  to Hyderabad's key business and lifestyle hubs
- **Attractive entry pricing**
  ₹6K–10K/Sq.Ft
- **High appreciation potential**
  driven by infrastructure

OTHER HYDERABAD ZONES (COMPARISON)

NORTH HYDERABAD	EAST HYDERABAD	WEST HYDERABAD
IT / Industrial driven	Logistics / Industrial growth	IT & Luxury Residential hub
Longer airport access	Moderate connectivity	Moderate airport access
Mid pricing (varies ₹6K–10K)	Lower-Mid pricing (₹5K–8K)	Premium pricing (₹11K–18K+)
Medium-High appreciation (IT demand)	**Medium** appreciation (Industrial/Logistics growth)	**Mature Market** (Limited upside)

Early-stage pricing + large-scale infrastructure + airport proximity

= Highest upside potential in the city

Why It's the
Gateway to Growth

Rajendra Nagar, South Hyderabad – emerging as a high-potential growth corridor driven by infrastructure, connectivity, and future-ready planning.

- **10 mins** to RGIA
- **1 min** to New Telangana High Court
- **Proposed Metro Connectivity**
  Nagole – High Court – RGIA corridor
- **₹14,000 Cr** Investment in airport expansion (GMR)
- **Direct access to Banjara Hills**
  via PVNR Flyover
- **Seamless connectivity to HITEC City** &
  Financial District via ORR
- **Future City & Pharma City** developments
  boosting demand
- **Proposed Bullet Train Corridor**
  positioning Shamshabad as a high-speed transit hub

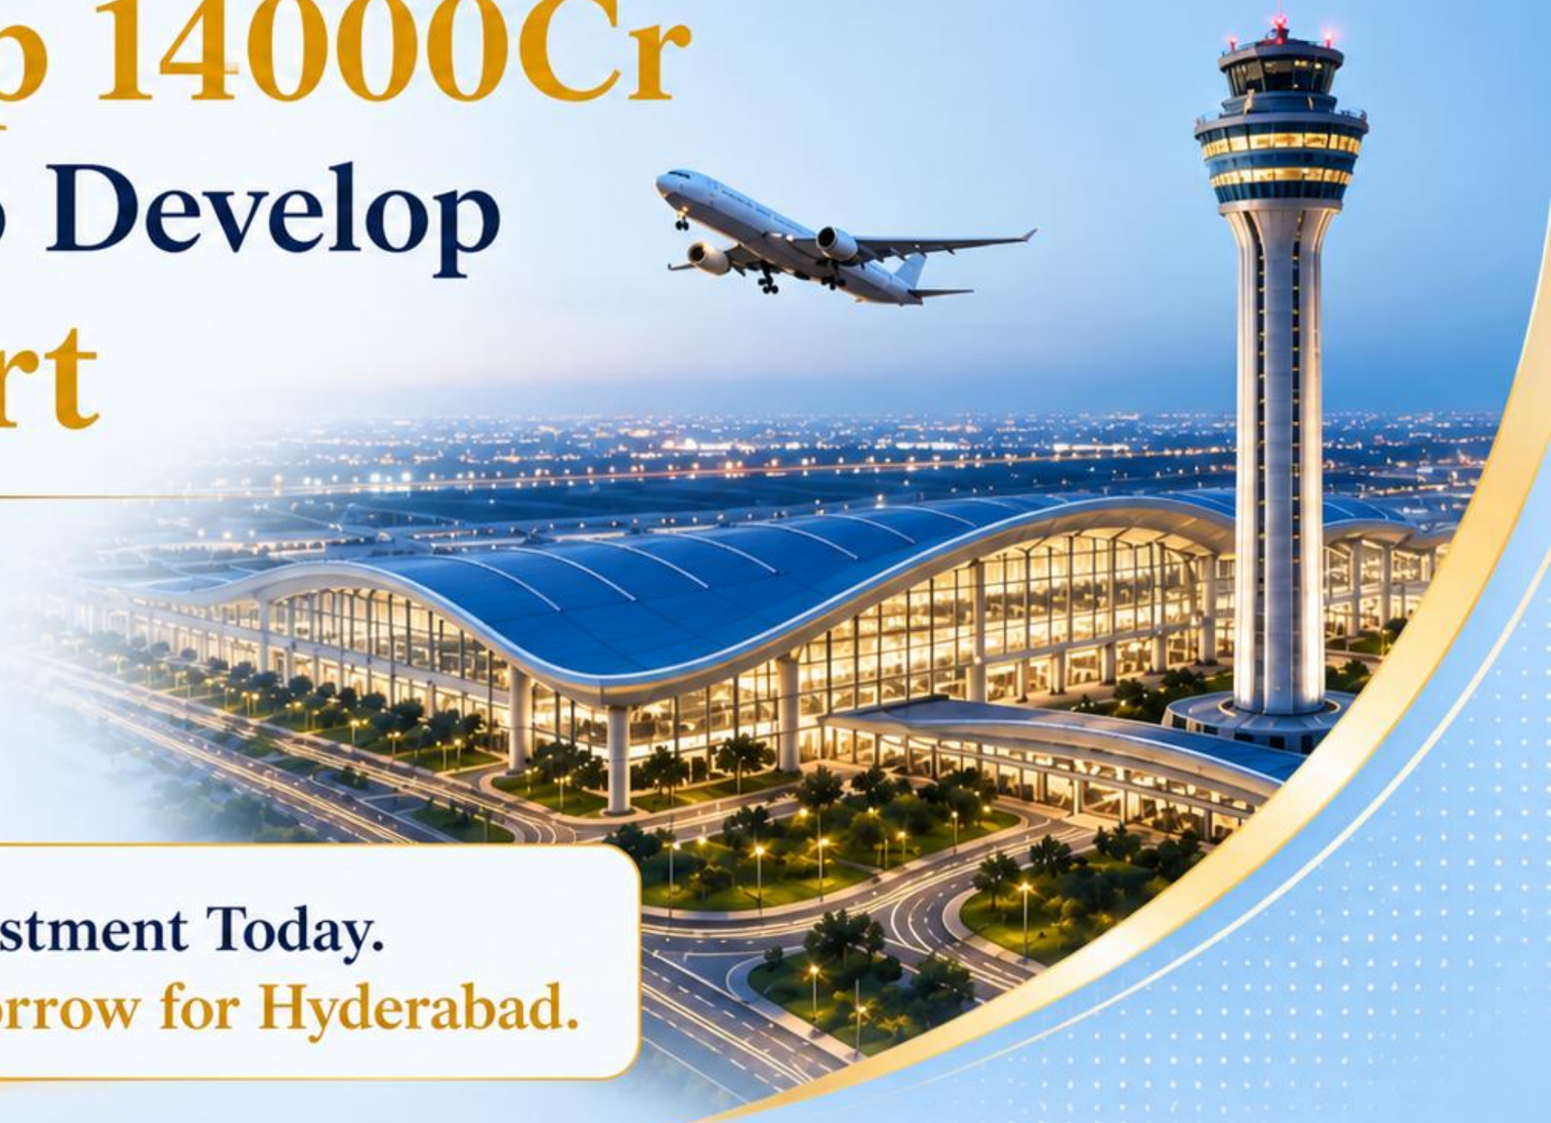

While North & East Hyderabad remain single-use corridors, Shamshabad stands out as a **future-ready ecosystem—integrating lifestyle, business, and global connectivity.**

Will this transform the location— and your investment?

DELHI AEROCITY:
A Proven Model of Infrastructure-Led Wealth Creation

A benchmark example of how airport-led development transforms land into **high-value commercial ecosystems.**

1. WHAT DROVE THE GROWTH

- Airport Express Metro & strong master planning
- Global ecosystem of hotels, offices & retail
- Integrated commercial & hospitality hub

2. INVESTMENT OUTCOME (BENCHMARK)

ENTRY PRICING (EARLY STAGE)
₹5K – ₹9K / sq.ft

CURRENT VALUES
₹25K – ₹40K / sq.ft

CAPITAL APPRECIATION
3x – 5x

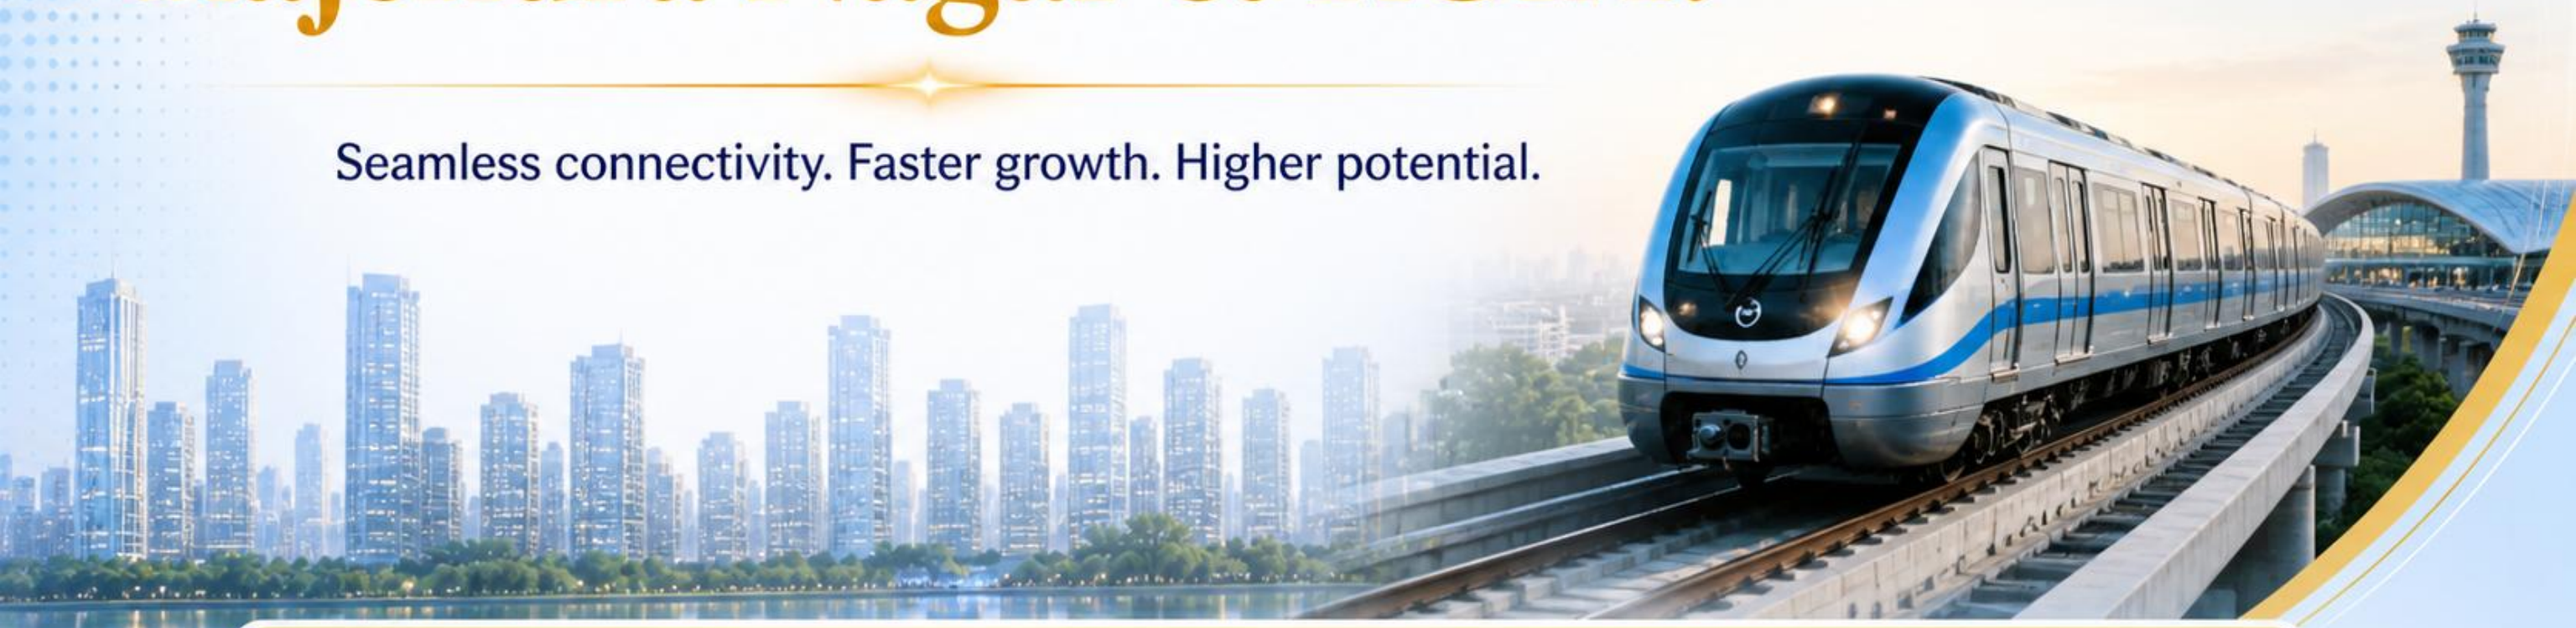

3. WHAT THIS MEANS FOR HYDERABAD

- Early investors in Aerocity captured maximum upside
- Shamshabad is at a similar pre-growth stage
- Current pricing remains undervalued vs future potential

What Delhi witnessed over a decade—
Hyderabad is positioned to replicate, at an earlier entry point.

Metro Impact on Rajendra Nagar & RGIA?

Seamless connectivity. Faster growth. Higher potential.

Metro connectivity is set to be a game-changer —
unlocking unprecedented growth & value for Rajendra Nagar & RGIA.

High-Speed Rail:
Impact on South Hyderabad?

A Transformational Leap for Connectivity,
Economy & Real Estate Growth

High-Speed Rail Connectivity = High-Growth Opportunity
South Hyderabad is on the **fast track to the future!**

High-Speed Rail: A Potential Catalyst for Shamshabad's Growth

Positioning Hyderabad as a future high-speed transit hub

1 WHY IT MATTERS

- Positions Hyderabad within national high-speed rail discussions
- Potential to enhance connectivity to major metros
- Supports long-term business & talent mobility

2 STRATEGIC POTENTIAL

- Could strengthen Hyderabad's role as a regional transport hub
- Enhances importance of the Airport–ORR growth corridor
- Adds to large-scale infrastructure momentum in South Hyderabad

3 REAL ESTATE & INVESTMENT IMPACT

- Potential for price appreciation near transit nodes
- Emergence of new commercial clusters (CBDs)
- Increased demand for premium residential & office spaces

High-speed connectivity + airport-led growth = Strong long-term investment potential

Rajendra Nagar's New Era – The High Court Impact...

Rajendranagar's New Era – The High Court Impact...

The Government of Telangana has strategically allocated approximately **100 acres** in Rajendranagar for a state-of-the-art High Court complex. The High Court will attract a significant influx of legal professionals, stimulating demand for residential, rental, and commercial properties. This sustained demand is expected to enhance long-term property values, positioning Rajendramagar as a **premium corridor**.

LEGAL PROFESSIONALS

Inflow of advocates, judges, legal staff & support services

RESIDENTIAL QUARTERS

Increased demand for quality housing & rental properties

INTERNATIONAL STANDARD INFRASTRUCTURE

World-class facilities boosting commercial & retail development

LOCAL POLICE & LAW ENFORCEMENT

Local police stations under the Greater Hyderabad / Rangareddy Police jurisdiction will intensify patrols for **law and order, traffic management,** and **public safety** around the High Court.

High Court + Infrastructure + Safety = Stronger Demand, Higher Values, Bright Future
